Dear Parents/Carers

After Easter there will be 18 school days left for Year 11 until their written GCSE exams start. A large number of revision and intervention sessions have taken place throughout the term and students have been provided with resources for use over the Easter holiday. These include tasks on Show My Homework set by your child's subject teachers and workbooks for Maths and Science.

I have met with all Year 11 students and reminded them of the importance of organising their time over Easter and completing tasks set by staff.

There are a number of revision sessions taking place over the Easter holiday. Do encourage your child to engage with revision over the holiday and to attend the relevant sessions. These are the sessions being offered:

Monday 3 April	9.30 – 11.30	R.E.	Mrs Price	FF8
