Student Interviews

Patrick in year 9 who is Chelsea fan said

“Chelsea were unlucky to have lost by such a big score but Chelsea also should’ve played better and worked as a team. I thought the lineup was good enough to beat Barcelona but they were better on the day. The referee wasn’t very good and I thought he was very biased and it wasn’t fair but I can’t use that as an excuse. Courtois (Chelsea goalkeeper) didn’t have a very good game and he should’ve saved the two goals scored by Messi.”
