Note from The Headteachers

Welcome to the Ramsey Voice, which comes at the end of a year that we could not have predicted. We can definitely say it has been a year like no other and we must hope that next year provides us with the opportunity to return to a more 'normal' way of life. The Ramsey Voice is a celebration of the achievements of the students. Whilst many of the extra-curricular activities, trips and visits have had to be put on hold for the time being, we still have much to celebrate.

The Year 11 Leavers attended their 'live virtual' Awards Evening. Despite not being able to see everyone in person, the awards were presented and in this most difficult of years, where so many of the normal 'leaving' activities were cancelled, it was fantastic to celebrate their achievements.

In this edition we would also like to celebrate the staff: particularly their contribution to supporting students and their families during the year. The messages of thanks parents have sent to the whole staff or specific individuals have been greatly appreciated. Recognition of the provision to support Young Carers, the continuous work of the Pastoral Team and the collective efforts to raise donations for the food bank are just a few of the examples of how our staff always put the best interests of the children at the centre of everything we do.

This edition also contains information of how families and individuals can access additional support during the holiday period.

At times, we know not everyone has agreed with the decisions we have made, but we are attempting to ensure all members of our community stay safe, as we deliver the best possible educational experience.

We hope to gradually reintroduce many of the activities that are such an important part of the overall school experience, those that contribute to developing a broader understanding of the world in which we live. This will be done when it is safe and in line with government guidance.

A key factor in our decision making is allowing opportunities to be created to engage and excite which allow the students to become curious. Staff have been creative in their use of online technology. Parents have told us the students have had positive experiences when they have taken part in the lessons delivered via remote learning. Apart from a few technical issues, the online Parent-Teacher Consultations have also been well received by the majority of parents.

No doubt next year will be just as challenging as 2020, but in different ways. The promise of several new Covid-19 vaccines will take time to take effect. During that time, we will still have to implement the control measures in school and ask for your continued support.

However, what we can aim to achieve in that time is for students to continue to aspire 'to be the best they can be'. The words of Walt Disney, creator of the famous Mickey Mouse can remind us how we can fulfil this aim:

"We keep moving forward, opening new doors and doing things because we're curious and curiosity keeps leading us down new paths."

We want our students to be curious, take lots of paths and explore all possible opportunities – but in a safe manner!

Merry Christmas and Happy New Year

Mr James and Mr Leys

Merry Christmas from the Staff at The Ramsey Academy, stay safe and all the best for 2021!

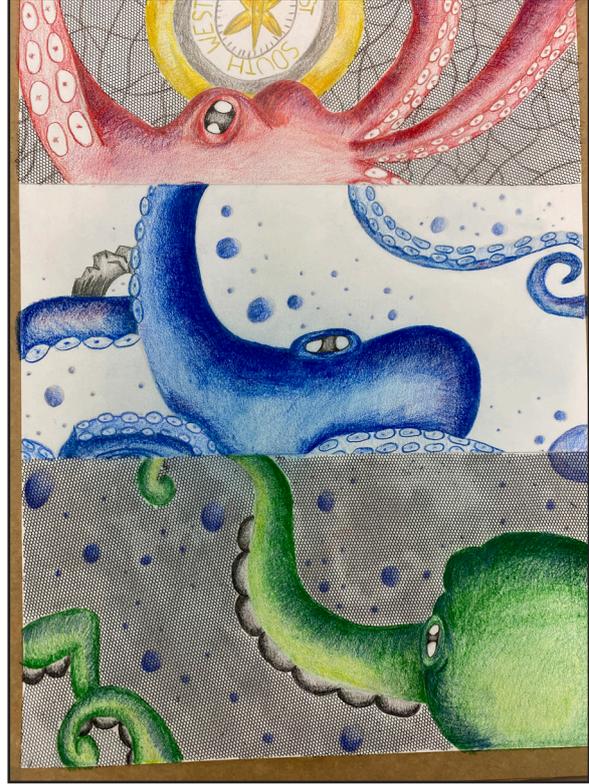

Year 11 Artwork

Friday the 13th November... unlucky for some but not for our Y11 Art students who spent the day working on final pieces for their Natural History project! Some really high quality work produced. Well done. Mrs Gerrard.

Young Carers Award

Whether supporting a family member either emotionally or physically, Young Carers are amazing. Which can sometimes be under very difficult circumstances. We feel at The Ramsey Academy, that Young Carers should be supported both in and out of school to help them reach their full potential. This is why we applied to take part in the award scheme. We felt that this reinforces our belief that all staff should be involved in the support of these young people.

The award is built on 5 standards devised from feedback from young carers

1. UNDERSTAND — There are assigned members of staff with responsibility for understanding and addressing young carers needs
2. INFORM — Awareness is raised by sharing knowledge about disability, illness and young carers throughout the school
3. IDENTIFY — Young carers are being identified within your school
4. LISTEN — They are listened to, consulted with and given time and space to talk
5. SUPPORT — Young carers are supported within the school, and signposted to whole family resources and services outside the school. To gain an award, we ask schools to evidence how they are meeting these five standard

If you would like more information about the support available for young carers, please contact Mrs Speechley on jspeechley@ramseyacademy.com. Or you can self refer via <https://forms.essex.gov.uk/default.aspx/RenderForm/?F.Name=VxC8Pwm6m3H&HideAll=1>

Mrs Speechley

Pastoral Award

Congratulations to the Ramsey Academy Pastoral Team, finalists in the National Awards for Pastoral Care in Education.

This is the first time ever an event has been organised to recognise the fantastic achievements across schools in the UK on pastoral care.

The Finalists

Pastoral Team of the Year – Sponsored by The Thrive Approach

(A team that works in pastoral care and can demonstrate a determination to support young people to achieve their full potential and a positive impact on the young people they work with)

Moor End Academy –
Huddersfield, West Yorkshire

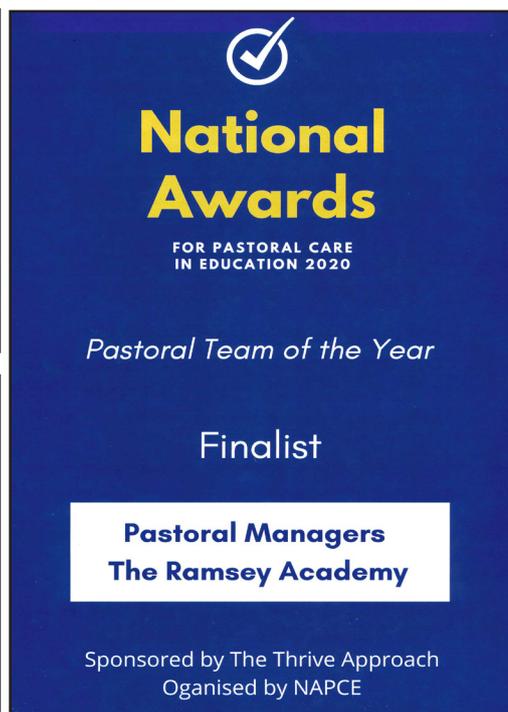

Pastoral Support Team – Cardinal Newman Catholic High School –
Warrington, Cheshire

Guidance Team – Churchill Community College – Wallsend,
Tyne and Wear

Pastoral Managers- Julie Ayres, Hannah Jolly, Geves La Fosse and Lauren Koster, – The Ramsey Academy, Halstead, Essex

Silver Springs Primary Academy – Stalybridge, Cheshire.

Congratulations,
Mr Leys

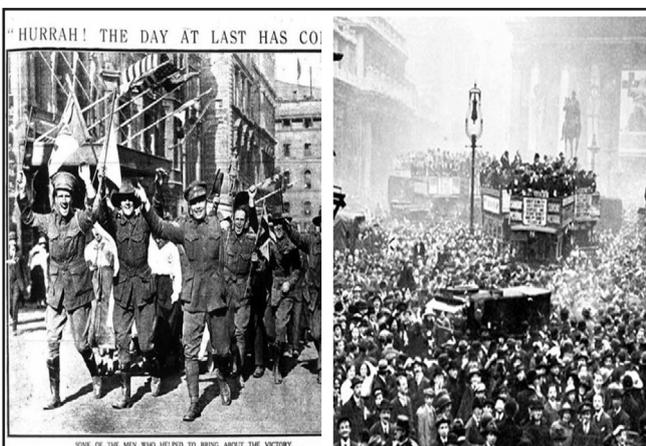

Remembrance Day 2020

On the 11th November 2020 the Ramsey Academy observed silence to honour the fallen soldiers that bravely gave the ultimate sacrifice for their country.

An assembly was delivered to the students to educate them of the significance. Students learned of the eager anticipation around the world of the armistice being declared. The armistice was signed at 5.12am and by 8-8.30 most soldiers on the Western Front were aware and then the news spread to Britain.

In Britain the bells rang out in the churches for the first time since 1914 at 12pm. Schools and employers called a half day holiday. The king and queen journeyed out in their carriage into the happy crowds- shaking hands with the people. The 11th November 1918 was a day of celebration. The war was over. Later on it became a day of remembrance. Lest we forget. Ms Scott

Panto 2020 It's Behind you!

Whilst the Covid-19 pandemic is certainly not "behind us", the plucky panto players of Yr 9 have decided to raise everyone's spirits this year with an online Christmas Panto! Written especially by Mrs Barnes, the Ramsey Academy version of "Aladdin" will be aired during the final week of term to all the school to keep theatre alive and inject a bit of Christmas Cheer to the festive season.

The cast includes Mollie M, Hannah J, Mia W, Sophie T, Tetti H, Natalie P and Amelie P. In a pacy piece with rhythmic rhyme in the best traditions of panto, these students have been using every lunch time to make the most of their Christmas creativity. They have cast, directed and rehearsed the performance together and their independent escapades are so welcome at this point in the year.

At a time when the world of the arts and theatre are so sorely limited, this wonderful group of Yr 9 dramatists have shown us why it is so important for human beings to keep performance alive, especially at these seasonal times of the year. They have certainly brought the spirit of Christmas back into the Drama Department - I hope everyone really enjoys our online Christmas Panto....we're off to Agrabah!!!!

Mrs Barnes

Year 11 Drama Performance

How proud we are in the Drama Department to see the dedication and efforts of our Yr 11 GCSE group!

Despite the challenges of times of isolation, online learning and room changes during this tough term, they are ploughing ahead with their creative ideas for their first practical assessment.

With themes ranging from "Schizophrenia" to "The Trenches" and from "Coping with Covid" to "While You Were Away - A Cautionary Tale", the students are busy finalising their performance work for assessment. The assessment requires the students to create their own piece of theatre using a range of techniques and forms learned over the years of Drama training and tuition in school. Along with the performance, the students must submit a portfolio of evidence explaining their ideas, analysing the meaning and evaluating the quality of the work.

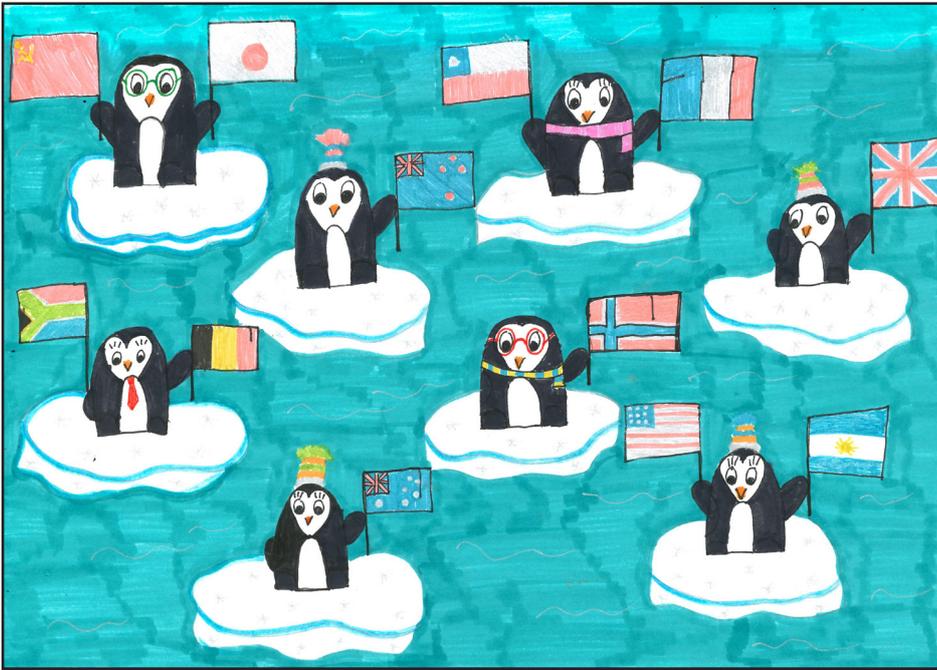

GCSE Drama students have been particularly impacted upon by the ever-changing conditions of the pandemic; they rely on working together in close physical and vocal ways to devise and rehearse their drama. This year they have had to become even more creative, developing online discussion and rehearsal groups along with dedicating extra time in breaks and after school to be exam ready. I am so very proud of their resilience and inspirational work. I wish them every success in the upcoming assessment.

Mrs Barnes

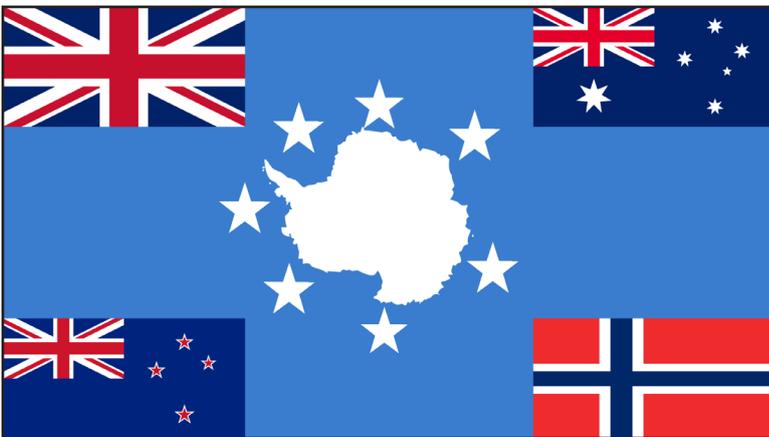

Geography Competition

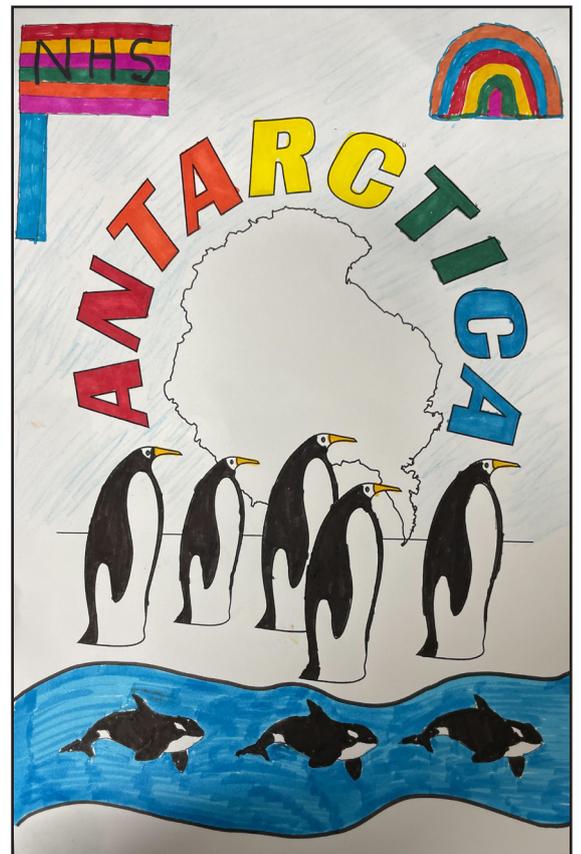

Earlier this term, year 7 Geography students were invited to design a flag for the continent of Antarctica to celebrate the 61st anniversary of the Antarctic Treaty being signed on December 1st. The winning design will be sent off to the British Antarctic Survey where it will be given to a researcher who is currently living in Antarctica! We received many entries and were blown away by the effort and thought put into each design. The winning entry comes from Olivia L in 7E2 (3 merits), with Christian M in 7A1 in second place (2 merits) and Alfie M in 7A1 in third place (1 merit)! Congratulations to these three and well done to everyone else who took part. All participants will be receiving house points for their efforts and all designs will be displayed in the Humanities corridor. The Geography Department.

1st Place: Olivia L

2nd Place: Christian M

3rd Place: Alfie M

Message from the Vice Chair of Governors

What a year it has been. Between lockdowns and partial lockdowns I'm sure you are all hoping to get some freedom back in the new year. Some of the skills you have learnt over this period will, I'm sure, help as we come through this pandemic. Teams and Zoom seem here to stay.

Welcome to all the new year 7 students. It can't have been easy to miss the end of year 6 and all that goes with it and move to a new school in the middle of a pandemic. It is good to hear that you are settling in well and I'm sure you will enjoy the many experiences that Ramsey has to offer.

As I'm writing this I know that year 11's are in the middle of mocks. Stressful at the best of times, the loss of school time, coupled with the constant uncertainty must be extremely difficult. I know that your teachers have been really impressed by your dedication and hard work to prepare for these exams despite the challenges. I wish you the best of luck in these exams and in preparing for exams in the summer.

I joined a number of years ago as a Governor as I was keen to support the school where my sons attend. In that time I have been impressed by the dedication of teachers to help students achieve their potential and the leadership team to deliver not just an academic education but a range of experiences that will support you in your lives. Many of the small acts often go unnoticed but all contribute to a school we can all be proud of. This has been exemplified through this crisis as we see have determined teachers have been to ensure you continue your learning journey and feel supported.

I wanted to use this as an opportunity to thank staff and students for your efforts going the extra mile to ensure Ramsey Academy continues its success story.

If any parents or carers have got this far, you may be interested to know there are a couple of vacancies on the Local Governing Body. This is a great opportunity to support your school and I would highly recommend it. If you would like more information please do contact the school.

James Sinclair - Vice Chair of Governors

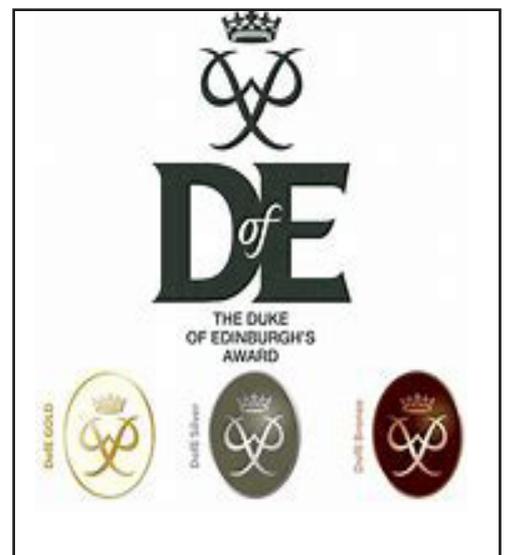

Duke of Edinburgh Awards

The Duke of Edinburgh Bronze Award is starting again very soon! Many year 9 students have shown interest and applied for a space, with the 42 spaces being filled in record breaking speed within the first two days – these students have now received a letter confirming their place on the award. If you have received a confirmation letter, please read it carefully and pay your registration fee by the deadline, or your place may be passed to someone on the waiting list.

Our first meeting is taking place on Wednesday 9th December, straight after school in FG5. You can check the weekly meeting itinerary on the 'Ramsey DofE' page, via the Student Portal, on the school website.

Miss Hilton and Miss Ellis

Class of 2020 Awards Evening

On Thursday 26 November we held our first ever virtual presentation evening. Under normal circumstances, this is the time when we welcome back all our students who left in the summer and celebrate their success. We present GCSE certificates, along with awards for achievement and progress in all subjects. We also have a number of special wards to give.

Obviously, this year has been very different and it is sad that we have been unable to all get together. However, we felt it was extremely important to recognise everyone's achievements. A "Live" event took place where the award winners were announced and we were treated to a fabulous montage of memories from the time spent with us by the Class of 2020. Huge thanks to Mrs Harvey for putting this together.

The week after the virtual event, there was the opportunity for student- now ex students- to come in and collect certificates and awards. It was wonderful to be able to catch up and hear how everyone is getting on.

Congratulations to everyone on their exam results and on winning awards.

The Special Award winners were-

Outstanding Contribution to Sport: ELLIE W

Lucy Jordan Plate : MAX F

(Awarded in memory of a former student who cared deeply about the Academy community)

David Fielding Award: AMELIA B

(Outstanding Creative Writing)

Alan Dyer Award: WERONIKA J

(Most improvement in Maths)

Stewart Billson Award: OWEN S

(Most improvement in Science)

Halstead Grammar School Old Girls: TAZMIN S

(Student who made a significant contribution to the Academy)

Christopher Holmes Prize: KELSEY-LEA D

(Student with best all-round performance throughout their college career)

Newell Shield: TAZMIN S

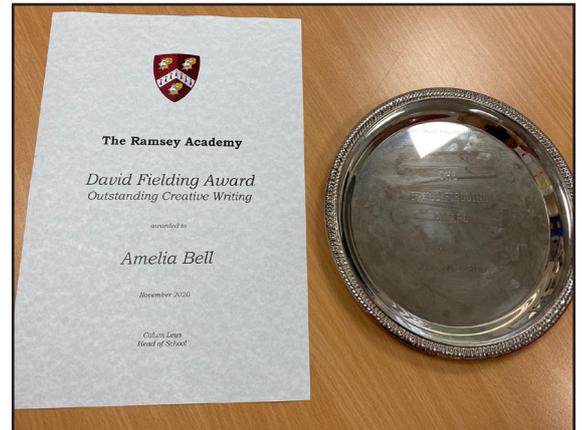

(Student who obtained the highest average points score in their GCSE results)

Old Colonians' Association Prize for Languages: MAXIMILLIAN G -B

(Student who made best progress in languages)

The Milburn Drama Plate: MALACHI W

Elizabeth Ward Memorial Trophy: IVAN S

Class of
2020

Class of 2020 Awards Evening

From Mrs Heath and Mrs Burrage

Library life this Autumn

As with the rest of the school, the library has found new ways to adapt so that both staff and students can still access our wonderful resources! Our online catalogue 'Reading Cloud' has ensured that anyone wishing to borrow, renew or just to explore the range of books we have on offer have been able to.

We have enjoyed delivering books to students via their Tutor rooms. Students can also return books via their Tutor, and they then have their name entered in our half termly 'Returned Books' raffle'. This has proved popular, and our first prize winner was Blue in Year 8! Well done!

The next winner will be drawn on the final day of term, just before the Christmas break.

We have also been running a 'Book Review' raffle competition and encouraging students to leave their reviews on Reading Cloud. Again, the winner will be drawn on the last day of term.

We have been promoting our non-fiction books for Non-Fiction November!

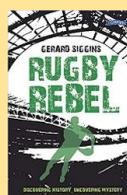

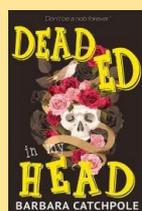

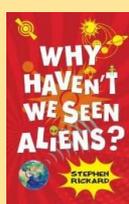

The library has been looking very festive of late, thanks to a group of year 7 students who have been busy creating paper garlands and snowflakes! They did an amazing job and have been awarded some House points!!

Coming up in 2021.....

We are looking forward to 2021! The 'Returned Books' raffle will continue, plus we will be encouraging students to enter a writing competition and getting creative! We will email all students with the details in our January newsletter.

New Books

We have lots of new books including the above titles coming soon!

Wishing you all a very Merry Christmas and a Happy New Year!!

Christmas Foodbank Collection

Despite a very challenging year for many of the families in our local area, we were overwhelmed by the generosity of the contributions towards the food bank. The food bank provides a vital source of support for so many families throughout the year and is invaluable to so many.

We asked all 30 tutor groups to complete a Christmas Calendar, donating a food item for every day of the calendar. All 30 tutor groups rose to the challenge, with some tutor groups completing multiple calendars. Staff from across the academy also contributed generously.

We are really proud and grateful to every member of the school community who supported this amazing local charity.

Mrs Howkins

BRAINTREE AREA FOODBANK

HELPING LOCAL PEOPLE IN CRISIS

Message from the School Captains

Hi, we are Ellie and Cobi, your new School Captains.

The school has implemented a new safety system to ensure the students and teachers remain safe by following all government guidelines. We have found the smaller grouping and segregated access due to the current global pandemic reassuring, showing us that Ramsey has our health and continued education at the forefront of their minds.

Recovering from the massive amounts of work missed due to the virus is very difficult for us as for most students, however, as School Captains, we are here to help anyone through these weird times.

As School Captains we would like to accomplish bringing the school closer together. Even if it can only be in year groups (due to the segregations for our safety) we believe that, especially during the uncertain times we are living, that we should all be supporting everyone in any way possible to make the school a better place for students to feel comfortable in.
Ellie P & Cobi B Year 11

Christmas Jumper Day 2020

Christmas, here at the Ramsey is usually a very joyous occasion as the pupils and prefects are busy organising the House Christmas meals. Sadly, this year we have had to scale back festivities however, we were determined not to let this dampen our Christmas spirit.

Staff and pupils donned their Christmas jumpers to add some festive cheer and raise money for the three house charities:

The smile of Aaron, The Breck foundation and Essex air ambulance.

A massive thank you to all those who participated. Mrs Howkins

ESSEX FAMILY SUPPORT SERVICE

Community360 are working in partnership and collaboration with other Voluntary and Community Sector organisations across Essex to deliver this Service as part of the wider Essex Child and Family Wellbeing Service.
The service will provide support to families which include school-aged children and young people aged 8 – 19 years. This will include families who are not already receiving support from specialist and statutory services (for families with children under 8 years, support will be provided by other Voluntary organisations).
The aim of this service is to support families to work towards the following outcomes:

- Emotionally healthy, happy and resilient-supporting families to develop and retain positive relationships
- Behaviour choices that promote safety and wellbeing – including reduction in participation of risky behaviours
- Socially connected, resilient and resourceful families- supporting people to connect with peers and communities
- Healthy inter-parental/guardian and family relationships- effective communication and conflict resolution

For those wishing to make a referral on behalf of a family please contact us for a referral form by emailing families@community360.org.uk
Families are also able to self-refer by contacting us on: **01206 505 250**

HALSTEAD COMMUNITY FRIDGE

Halstead Community Fridge will be open throughout the Christmas period to enable residents and businesses to share surplus food and for anyone to help themselves to quality food that would otherwise be wasted, which can be located within the Lodge Gate building on The Causeway, Halstead.

WITHAM TOWN COUNCIL

Witham Town Council are offering hot, home cooked meal to people on their own or single parent families in Witham & surrounding villages. These will be delivered on Christmas day between 12:00 – 14:00. Please contact Susan on 07395 150669 or email xmas@455.org.uk

CITIZENS ADVICE

Citizens Advice, advice line - **0344 499 4719**
Advice line is open Monday – Friday 10:00-16:00 excluding bank holidays. Please be aware there will be reduced staff between Christmas and New Year
Warm Homes can help with:

- Maximising your income to make sure you are receiving all the benefits you are entitled to
- Helping you with fuel debt – if you have already fallen to arrears (in some cases we can apply to trusts and foundations to help pay these off – giving you a fresh start)
- Energy saving around the home
- Energy tariffs - are you on the best one for you?
- Access to grants for energy saving improvements – we can help you find the best scheme and help you apply
- Access to emergency fuel payments
- We can also provide free energy saving devices around the home.
