Dear Students

End of Use of Edulink

From 1 April we will replace Edulink with a new software system called Arbor.

Arbor will be the website you need to use to login and look at your timetable, attendance, behaviour, exams information and also homework/assignments. Arbor will be used to submit homework online if you are required to do so by your teacher.

Arbor does not have an app for mobile devices it is just a website you log into using your school email address and password on your mobile devices.

If you have any questions please speak with your class teacher who can then refer any issues on to IT Support.

Yours faithfully

M Fuller
Director of IT
