- Any questions should be directed to your form tutor, your subject teacher or Mrs Ancient – aancient@ramseyacademy.com - in the exams and data office. Any concerns with regards to the upcoming GCSE exams should be raised as **soon as possible** in order that they may be addressed.
- There is one exam clash – the students who are affected will be contacted separately with the arrangements for the day.
- Please ensure that you have familiarized yourself with the Candidate Information booklet sent to you earlier this year and all the information on the school website with regards to formal examinations and JCQ's rules and regulations.

- **Contingency Days**
 - The Awarding Bodies have allocated the 25th June 2024 as a Contingency Day as well as two Contingency half- days which are the 5th June and 12th June. You are expected to be available during this time.
 - Contingency Days are allocated in case of an event of national or significant local disruption to examinations in the UK. They are part of the Awarding Bodies' standard contingency planning for examinations and candidates are expected to remain available in the event that the Awarding Body should invoke their contingency plan.
