Why study GCSE Art and Design?

GCSE Art and Design is the right subject for you if you enjoy:

- developing your visual skills and engaging with the creative process of art, craft and design.
- developing and refining ideas.
- visits to galleries, museums, workshops and studios.
- experimenting and taking risks with your work and learning from your experiences.

Course Outline

What does the course involve?

You will develop your visual skills and build a portfolio of work by completing a wide range of activities and in-depth assignments. Throughout the course, you will:

- develop and explore ideas.
- select and experiment with appropriate media, materials, techniques and processes.
- record your ideas, observations and insights.
- present personal and meaningful responses.

GCSE Art and Design is a broad and flexible course.

Assessment Format

Edexcel (1-9) Art and Design (1AD0)

Component 1: Personal Portfolio

This component is worth 60% of your GCSE. You will produce a portfolio of work based on tasks agreed with your teacher.

Component 2: Externally Set Assignment (ESA)

This component is worth 40% of your GCSE. You will produce preparatory studies and personal outcome(s) based on a theme set by Edexcel.

Each component is assessed out of 72 marks against the four Assessment Objectives. Your teacher will mark your work and it may be moderated by Edexcel.

Edexcel (1-9) GCSE Art and Design 1AD0 - Assessment Objectives:

AO1: Develop ideas through investigations, demonstrating critical understanding of sources - 25%.

AO2: Refine work by exploring ideas, selecting and experimenting with appropriate media, materials, techniques and processes - 25%.

AO3: Record ideas, observations and insights relevant to intentions as work progresses - 25%.

AO4: Present a personal and meaningful response that realises intentions and demonstrates understanding of visual language - 25%.

What skills will I need to be successful in this subject?

It's important that you have a passion for the subject and a desire to know more about historical and contemporary art, and how to use art materials and processes to develop and express your own ideas. This course will give you the skills to enjoy, engage with and produce visual arts throughout your life.

Possible Careers and Future Education

Through this course you'll develop transferable skills, such as problem solving, communication and critical thinking skills, which will prepare you for further study or the world of work regardless of the subjects or career you wish to pursue.

If you wish to study Art and Design beyond GCSE, you could do a Level 3 course, such as AS or A level Art and Design or BTEC Nationals in Art and Design.
