## Why study Foreign Languages?

Studying a foreign language will undoubtedly be challenging but it is also a hugely rewarding and enjoyable experience. Language learning is proven to help communication, reading and memory in your own language and some students find that they begin to understand their own language better through foreign language study. The grammar concepts you will study involve using problem solving and logical thinking skills which can be applied to other areas of life. As well as the language, you will also learn a great deal about the culture of the target language countries and communities which can be fascinating and vastly different to your own.

## Course Outline

The GCSE courses in French and Spanish cover the following topics which are separated into 3 main themes:

### Theme 1: Identity and culture

**Topic 1: Me, my family and friends:** Relationships with family and friends, Marriage/partnership

**Topic 2: Technology in everyday life:** Social media, Mobile technology

**Topic 3: Free-time activities:** Music, Cinema and TV, Food and eating out, Sport

**Topic 4: Customs and festivals in French/Spanish speaking countries/communities**

### Theme 2: Local, national, international and global areas of interest

**Topic 1: Home, town, neighbourhood and region**

**Topic 2: Social issues:** Charity/voluntary work, Healthy/unhealthy living
