

## THE RAMSEY ACADEMY, HALSTEAD

### CATCH UP FACILITATOR

*At The Ramsey Academy, Halstead we believe that students with special educational needs have the same entitlement to a broad and balanced curriculum as any other student; that all students are valued equally; have the opportunity to develop their own skills to the greatest extent possible and, that parents are entitled to be consulted to ensure an effective partnership between home and School.*

*The Ramsey Academy, Halstead SEN Policy*

As a result of this belief, the needs of students are met within the classroom, wherever and whenever possible, with and without in-class support, provided by the Learning Support Team. The team is led by the Joint SENCOs - Susannah Muir and Stephanie Keen.

The catch up facilitator is a new role within the academy. The facilitator will work alongside academic departments and the learning support team to identify and work with students for whom gaps in their learning have been identified

Support is provided for students in all learning areas of the school over a five lesson day and a timetable is drawn up after discussion with each member of the support team using their subject strengths, skills and interests. Some members of the learning support team work in subject faculties supporting a wide range of students and some staff support students on a 1-1 basis. Support is provided across all Key Stages with the aim of enabling students to become independent learners.

However, we do recognise that there are occasions where students benefit from support where they are withdrawn from lessons, either individually or in small groups. This is likely to be particularly necessary in addressing issues caused by the COVID 19 lockdown.

Work will consist of a variety of tasks including some or all of the following:

- Assessing students' needs in terms of catch up- specifically related to literacy and / or numeracy skills
- Planning content of support lessons in consultation with other staff
- Withdrawal lessons of small groups of students for basic literacy/numeracy support
- Individual withdrawal lessons for literacy/numeracy support
- Monitoring of students' progress
- Reporting of progress to achievement boards
- In class support for individuals or small groups if deemed necessary

This post will require the ability to quickly assess the needs of students and to establish clear programmes of study to facilitate improvement. There will be the need to work with a range of colleagues as well as independently.

The main requirements for this post are a sense of flexibility, tolerance and a sense of humour. Meeting the needs of students may involve instant changes to the timetable or schedule for the day. Applicants also need to be educated to GCSE Grade C or above, or the equivalent.

In service training will be available according to the needs of the individual.

August 2020

## Job Description
